CHRISTMAS PROGRAMS

The students celebrated the Christmas season this year in many ways; bringing Greek music and joy throughout many communities.

School Programs...The students combined their vocal, instrumental, and acting talents to celebrate the Christmas season. It was an exciting way to highlight all the gifts that our students bring to our School.

The Museum of Science and Industry... Once again, our Greek school was invited to the Museum to represent Greece in the 25th anniversary of Greece's participation in the *Christmas Around the World* celebration. Almost 30 children participated singing their rendition of Frosty the Snowman in Greek, under the direction of our principal Stella Lundquist and the teachers. Konstantino Bakas played Frosty and Elena Stavropoulos accompanied on the piano.

Field trip... On December 21, the Greek School took a field trip to the Greek-American Rehabilitation and Nursing Center in Wheeling to sing holiday songs to the residents. More than 40 people took the trip in sub-zero weather to cheer the residents and joyfully share holiday greetings to everyone. What a fun afternoon enjoyed by young and old.
