

Greek School Events

OXI DAY CELEBRATION

This year the **OXI Day** program honored the day the Greeks said NO. The students also remembered how Greece fell into a Depression after the event of October 28th, where many people were hungry and suffered from the toils of the war for many years. In remembrance, the students decorated paper grocery bags with messages about “OXI ΣΤΗΝ ΠΕΙΝΑ” (NO TO HUNGER) and brought them in full of groceries. The School collected more than 60 bags and donated over 750 pounds of food to the Humanitarian Service Project which serves senior citizens in our area.

It was a wonderful celebration and remembrance!
